

Centenary Rockingham Stages

10/11th December 2005

Results

First of all, a big thank you to everybody for entering this year's *Centenary Rockingham Stages*. We hope that you enjoyed the event and your visit to this excellent facility. As several people again commented - it is almost impossible to find another rally venue that offers hot water in the toilets, showers in the service area, closed circuit television covering the stages and a dedicated medical centre!

Even though the first stage accident looked quite serious, we are pleased to report that there were no serious injuries sustained and, although battered and bruised, Charlotte Mallalieu is now fine.

We offer our congratulations to all the award winners and our commiserations to those that didn't finish - we hope you will try again next year. Also, of course, a big THANK YOU to all the officials, marshals, radio crews and safety personnel for their help and assistance on the event - without them it would not be possible. It would also not be possible to run the event without the cooperation of Rockingham Motor Speedway and we are extremely grateful for the help and assistance provided by all the staff over the weekend and also during the planning of the event.

As mentioned in the Regulations, we are supporting two charities this year - the National Association for Colitis and Crohn's and the Linda Jackson Macmillan Centre at Mount Vernon Hospital - and through your generosity, with the contribution from each entry and additional donations from some crews, the event raised over £1,200.00 for these worthwhile causes. Thank you all.

A marshal's draw was also held and we offer our congratulations to the three winners:-
BRITSPORT EXPERIENCE - Carla Penycate (FDMC) from Haslemere,
MITSUBISHI EVO BLAST - J Penny (KDMC) from Redditch and
BARRY EATON VIDEO - John Martin (CSMA North London) from Doncaster.

The first MCAC competitive event next year is **The Oakington Stages, 2006**, which will be on **Sunday 5th February 2006** at Oakington Airfield, near Cambridge. Regulations will shortly be available on the Club website - www.mcac.co.uk - or contact Tony Phillips on 01923 822590 (e-mail: tonyp@mcac.co.uk) for further information if you do not have access to the internet.

Of course, all events require marshals and, if you do not intend competing, your assistance would be most welcome - contact the Club's Chief Marshal, Rob Brook, on 07870 592608 or e-mail robb@mcac.co.uk to offer your services.

Next year's **Rockingham Stages 2006** will be on Saturday 9th/Sunday 10th December 2006 and we hope to see you all again then - if not before.
